RE: Update address & verify 2021 earnings-70331435

To Whom It May Concern:

This letter is to first: provide a copy of 2021 wages to satisfy any reporting requirements.

Second. I have obtained housing and my intention is to maintain earnings within 200% of the FPL allowing me to keep DC medicaid as my **only** insurance. I also am not interested, nor require, any additional services(health/care aides or Supervision). Should these services ever be required I would like them delivered either through an assisted living facility or hospice, whichever is appropriate, as this may be my preference as accorded by patient centered care.

My new permanent address:

Thomas Lambert
200 K St. NW Unit 502
Washington, DC 20001

Please contact me should there be any questions.

Sincerely,

Thomas Lambert
