To Whom It May Concern:

I have begun employment effective July 3, 2020 with Marshalls. This is to be a part-time position that will not exceed 22 hours per week. This will allow me to maintain DC medicaid, under the ACA expansion of 200% FPL. It is my intention that this be my only insurance source. Furthermore, I do NOT want any additional services provided at this time. Please provide me any information that is contrary to what I have stated, or any adverse action regarding coverage.

Thank you for your time and assistance with this matter.

Sincerely,

Thomas Lambert
